Dear Colonel Hebert:

On my visit last December to the War College we discussed the study done on assessment by the OSS psychological staff. I told you that I would check on the exact title and indicate where you probably could find one. The exact title is "Assessment of Men-- Selection of Personnel for the Office of Strategic Services," published by Rinehart & Co. of New York. I understand, however, that this is now out of print, although a paperback edition is currently being contemplated. If you have any problem obtaining a copy, please let me know and I will arrange for our library to lend one to you.

With very best wishes,

Sincerely yours,
